

ClonerInterface

```
graph BT; AbstractCloner --> ClonerInterface; VarCloner --> AbstractCloner;
```

A UML class diagram illustrating inheritance. At the top is the 'ClonerInterface' box. Below it is the 'AbstractCloner' box, with a vertical arrow pointing from 'AbstractCloner' up to 'ClonerInterface'. At the bottom is the 'VarCloner' box, with a vertical arrow pointing from 'VarCloner' up to 'AbstractCloner'. All boxes have a thick black border and the text is in a large, black, serif font.

AbstractCloner

VarCloner
